Metallurgical Education

## THEMATIC WORKSHOP

### „New Trends in Metallic Materials Processing” Second Edition

Bucharest, 21-22 March 2019

University POLITEHNICA of Bucharest, Materials Science and Engineering Faculty,  
Materials Processing and Ecometallurgy Department  
Romanian Forging Association  
Romanian Foundry Association

In the eighteenth century, on January 23, 1729, the first School of Mining and Ferrous Metallurgy was founded in Oravița. Thereby, for celebrating 290 years of metallurgical education in Romania, we are pleased to organize and invite you to participate in the second edition of the thematic workshop „New Trends in Metallic Materials Processing”, event which will be hosted by University POLITEHNICA of Bucharest, on 21 and 22 March 2019.

*Language of the event – Romanian and English.*
